EDUCATION

University of Cincinnati | Bachelor of Business Administration

Expected May 2027

Carl H. Lindner College of Business

Cincinnati, Ohio

- GPA: 3.869 | Dean's List, Every Semester Enrolled
- Major: Finance & Information Systems
- Relevant Coursework: Database Design, Business Intelligence, App Development, Investments, Corporate Finance, Financial Information and Valuation
- Awards: Cincinnatus Scholar, Carl H. Lindner Trailblazer Scholar, SAB Emerging Leader of the Year

WORK EXPERIENCE

AMEND Consulting

Cincinnati, Ohio

Analyst

August 2026 – Present

- Support end-to-end data migration and ERP implementation for a client engagement, mapping data from the legacy ERP to the incoming system to ensure accuracy and continuity through cutover
- Build SQL-based data mapping templates to standardize and accelerate subsequent migration waves
- Author standard operating procedures (SOPs) to train client employees on the new ERP system, translating technical implementation details into clear, user-facing process documentation
- Continue training in data and technology fundamentals through AMEND's Data & Technology development track, including a personal Power BI project

RentScore

Cincinnati, Ohio

Project Lead, Campus Engagement Team

August 2026 – Present

- Lead a team of 4 running user acquisition campaigns across the University of Cincinnati campus, owning outreach to club and Greek life leadership, campaign setup (QR codes, tracking), and the marketing budget behind each campaign
- Generated early campaign results of 1,400+ user sign-ups and 3 club partnerships, with acquisition cost 52.8% below the founder's \$5 target (\$2.36 actual)

Kroger Technology & Digital

Cincinnati, Ohio

Product Management Intern

May 2026 – August 2026

- Built and deployed an AI-enabled product discovery and delivery workflow system across 23 NGPOS product management teams, consolidating a legacy system into a single source of truth across Jira, Confluence, and Microsoft Teams
- Delivered a documented \$478K in annual ROI and 1,591 PM hours recovered per year by automating manual discovery documentation, feature tracking, and stakeholder alignment via Jira Automation, Power Automate, and Teams Webhooks
- Interviewed 11 product managers to surface pain points across discovery, bug triage, and delivery visibility, translating insights into a prioritized product backlog and automation roadmap deployed for Kroger's future NGPOS feature discovery cycles
- Published a bug triage agent under AI council review and partnered with a senior software engineer to connect it to Kroger's full triage database, giving on-call engineers bug diagnoses and recommendations based on past work

Kroger

Cincinnati, Ohio

Enterprise Sourcing Intern

January 2025 – May 2026

Three-rotation program: Rigid/Semi-Rigid Packaging → Kroger Label Products (Health, Baby, Beauty) → CPI Beverage

- Drove end-to-end analysis for a \$25M+ RFP on carbonated soft drinks and water packaging, building competitive supplier evaluations that identified \$900K in projected annual savings
- Led the end-to-end Round 1 process for a \$3.1M dryer sheet category RFP, narrowing 9 suppliers to 2 finalists; the recommendation carried forward to a ~4% price reduction and ~\$100K in final savings without onboarding a new vendor

PROJECTS

Kraft Heinz Equity Valuation

Summer 2026

- Authored a full equity research write-up on The Kraft Heinz Company (FIN 4035): industry and relative valuation analysis, a five-year three-statement forecast, cost of capital, and DCF valuation across FCFF, FCFE, ROPI, and RI models, concluding with a Buy recommendation

Personal Equity Portfolio – Investment Research & Portfolio Management

June 2023 – Present

- Manage a personal equity portfolio, built around a wide-moat-compounder thesis, constructing a probability-weighted DCF model projecting an approximately 11% annualized base case return through 2030

LEADERSHIP & INVOLVEMENT

- Engineers Without Borders UC, Vice President of Operations | December 2025 – Present
- Delta Tau Kappa Interdisciplinary Honor Society, Internal Vice President | August 2025 – August 2026
- UC Darts Club, Secretary | May 2026 – Present
